

November 13, 2018

Dear Snow loving Parents and Kids,

Wanted to get some information about our upcoming Ski/Snowboard program out to you so you may keep this in your plans.

We will be traveling up to **Mt. Hood Meadows** to take part in their educational ski/snowboard program. This is a Five (5) week program where each student participant is required to take part in weekly group lessons. It is a great opportunity to gain some new snow skills or refresh and add to some old ones.

The dates that we will be going are as follows: All are on **Wednesday**.
Jan. 9, 16, 23, 30, Feb. 6

Rental equipment is available at Mt. Hood Meadows, or you may rent from other shops locally.

If you are planning on “enjoying” the snow this winter by driving up to the mountain, you’ll need a Snow Park Permit; they are sold at many locations in the Portland area.

The prices for the Ski/Snowboard Student Packages are as follows:

Student Prices for ages 7 – 14

Lesson only (all participants must register for lessons)	\$204.00
Lesson/Lift (you have your own equipment)	\$266.00
Lesson/Lift/Rental	\$338.00

Adult/Parent Packages are also available upon request.

Insurance for all participants is \$10.00 for all 5 weeks.

If you don’t want to drive we will be taking our school bus each week. We will take students in 4th grade and up. Younger students may ride also with a parent. The bus fees are \$65.00 per passenger for all 5 weeks.

The “official” sign up period will begin now and run through **Dec. 21**. As you come into the holiday season keep the snow sports in mind as you plan for your holiday shopping.

To sign up for the winter sports program follow the directions on the postcard from Mt. Hood Meadows or the step by step directions available here on our website.

Please feel free to call or e-mail me if you have any questions. Looking forward to having a great time up enjoying the snow this year, please plan on joining the fun!

Sincerely the “Snow Coordinator”

Lynn Rognsvoog
