Dear Parents,

Thank you for sharing your children with me this school year. It has been a true pleasure watching them grow and learn. I appreciate all of the generosity and support for the library program. You have given of your time, energy and funds and it has been a great blessing.

I would like you all to take a look at some of the “Summer Reading” options:

- Multnomah County Library summer reading sign up time begins Friday, June 16 at your local library or at www.multcolib.org/summer. The program is free and fun. There will be super prizes.
- Barnes & Noble will have their Kids Club going. You may either want to sign up in the store or online at www.bn.com/kidsclub for savings and rewards. Also, check out their read aloud times and days.
- Portland Adventist Elementary School would like to offer your family the opportunity to check books out this summer. I will be at school Wednesdays from 11:00-1:00. If this day or time won't work for your family, call & leave a message on my cell 503-939-9294. Let me know what day & time is good for you & I will try to work something out. I live close by. I will also be available to listen to your child read for 20-30 minutes for extra practice on Wednesdays from 11-1. I will post on the PAES web page if I will need to be out of town on a Wednesday. Check the web page before you leave the house. I will start on Wednesday, July 5, 2017.

Please send me your summer travel photos and a note telling me who, what and where you are to madelynn.cummings@paes.com. Please send the photos & notes as you are traveling so I can start printing them and getting them ready to display on the TV for Fall.

Have a great summer!
